Narratives (Please type on a separate sheet):

1) Personal Comments Essay: Use the Personal Comments essay as an opportunity to distinguish yourself from other applicants. Consider and write your Personal Comments carefully; many admission committees place significant weight on this section.

Some questions you may want to consider while writing this essay are:

Why have you selected this particular profession?

What motivates you to learn more about this profession?

What do you want schools to know about you that hasn't been disclosed in other sections of the application?

In addition, you may wish to include information such as:

Unique hardships, challenges, or obstacles that may have influenced your educational pursuits.

Commentary on significant fluctuations in your academic record that are not explained elsewhere in your application.

2) List Work Experience/Research/Activities: briefly describe each of the types of employment/research/activities or service that you have done. This may also include volunteer work and job shadowing. For each, be sure to include the following:

Experience Name

Enter the name of the experience or the title you held during the experience. If this experience has no explicit name, choose a name that you feel best describes the experience.

Experience Dates

Include the start and end dates for each experience. Some Experiences, such as Presentations/Posters and Publications, require only one date. If you participated in an experience more than once, you may enter up to three additional date ranges.

Total Hours

Enter the total number of hours that you completed related to this experience during the date range that you indicated.

Organization Name and Location (City/State)

Enter the name of the organization through which this experience occurred.

Note: It is your responsibility to have all supporting documents such as this form and letters of recommendation, in your HPAC file before your interview with members of the Committee. Before the Committee letter will be written, you must have a copy of your completed AMCAS, AADSAS, etc. application in your file.
